

## Titan Enforcer

**TRAFFIC**  
★★★★★

**SOFTNESS**  
★★★★★

**NATURAL LOOK**  
★★★★★

Exclusive low infill sand dressed only product eliminating the need of Rubber infills as standard monofilament products.

A high performance construction of two wear resistant fibres making Titan Enforcer ideal for mini-football/futsal, multi-sport or high use commercial applications. Providing the ultimate combination of advanced performance and durability.

This design is based on tested football turf systems utilising sports performance fibres and made-to-order with integrated line marking available in white, yellow, blue and lime green catering for multiple sports in the one playfield area.

Australian Made quality. High density stitch rate and face weight for superior wear performance.

### Finished Product Details

Application: Multipurpose/Childcare  
Pile Height: 28mm  
Colours Available: Field Green  
Total Product Weight: 1,982g/m<sup>2</sup>

### Yarn Properties

Yarn Construction: Twisted PE Monofilament  
Linear Density: 600 Tex  
Environment: Australian manufactured heavy metal free yarns which may be used anywhere without restriction UV Stability: Yes to the highest Australian specification

### Configuration

Stitch Rate: 26 per 100mm  
Yarn Weight: 2,222g/m<sup>2</sup>  
No. of Tufts: 27,331m<sup>2</sup>  
Perforated: Standard

### Primary Backing

Construction: Double PP black + fleece, UV stabilised 246gms

### Secondary Coating

Compound Base: Brown2Earth latex compound with base of styrene-butadiene, with drainage holes

### Supply

Available Width: 3.71m  
Standard Roll Length: 30lm  
Approx. Shipping Weight: 14kg/lm

### Infill Material

Stabilising Infill: 13kg/m<sup>2</sup>

### Product Warranty

8 year limited warranty  
Manufactured in Australia

## Features

Contaminant free polymers

UV stabilised

First quality raw materials

Heat stabilised

Precise synergistic formula

No heavy metals in pigments

Compatible pigments

Developed for the Australian sports and landscaping market

25 years exposure testing in Australian environment

ISO Quality Assurance

Warranty
